"Excellent work, Helen! It pays to work with the best and most experienced professionals! Thank you very much" ~ TR & GR

I was well served by Sterling and many thanks to Dave Trostle for being accessible, answering questions, and making sure I had the information I needed. In the beginning, I thought the "process" would be very similar to a home mortgage, which it was, with some variances as we got into it. As we progressed I felt comfortable with the assistance and service from Sterling and was able to stay focused on the end-game. As everything came together, it came off without a hitch and just as it had been explained from the beginning. Sterling and our Brokers pulled the deal together in a week ... No problems. I was well served by Sterling and many thanks to Dave Trostle for being accessible, answering questions, and making sure I had the information I needed. ~SHM

"I reached out to several companies and Sterling was the most accommodating with the best rates and terms. Matt Brown help me through the process and even arranged to have my title and stickers brought to the Bay Bridge Boat Show where my new boat will be part of. Matt took care to communicate with the Eastern company to arrange any information that they needed to complete the loan. This is my forth boat and the best experience I've had obtaining a loan. I would highly recommend Sterling Acceptance to a friend" ~JB
